

Address for the event

Chemistry Building Lecture Theatre (29/1101), School of Chemistry,
University of Southampton, Southampton, SO17 1BJ

Arriving to Southampton by train

From Southampton Airport Parkway Station:

- Catch the unilink U1C bus, towards City Centre / NOCS, from bus stop circled below, on the eastern side of the station (platform 2 side, trains running southbound).

- Buses are every 7-9 mins, with live times displayed at the stop.
- Get off at Highfield Interchange (ca. 20 min journey according to bus times, circled in red top of image below).
- Head across campus to Building 29 (approx. 5 min walk, circled in green at bottom of image below).
- Signs will be displayed around the Chemistry building to direct you to the event.

From Southampton Central Station:

- Catch the unilink U2 bus, towards Highfield Centenary Building, from bus stop circled below, on the northern side of the station (platform 1 side). Buses are spaced between U2B (see below) services, with live times displayed at the stop (timetable lists departures at 09:21, 09:44, 10:14, 10:21 and 10:44).
- Alternatively, catch the unilink U2B bus, towards Bassett Green, from the same bus stop circled below, on the northern side of the station (platform 1 side). Buses are every 30 mins, with live times displayed at the stop (timetable lists departures at 09:29, 09:59 and 10:29).

- Get off at Highfield Centenary Building (ca. 25 min journey according to bus times, bus stop located directly next to Highfield Interchange stop – see green circle in image on previous page)
- Head across campus to Building 29 (approx. 5 min walk, circled in green at bottom of image below).
- Signs will be displayed around the Chemistry building to direct you to the event.

Departing from Southampton by train

Getting back to Southampton Airport Parkway Station:

- Catch the unilink U1A bus, towards Southampton Airport Parkway, from Highfield Interchange bus stop.
- Buses are every 7-9 mins, with live times displayed at the stop.
