

53rd Annual International Meeting of the
RSC ESR Group.
Manchester, 29th March – 2nd April 2020.

Dear Colleagues,

We look forward to welcoming you to the 53rd Annual International Meeting of the Royal Society of Chemistry ESR/EPR Group in Manchester 2020. The venue is the [Alliance Manchester Business School](#), at the heart of The University of Manchester campus near the city centre, with accommodation at the adjacent **Crowne Plaza Manchester** luxury hotel (which will be the **Hyatt Regency Manchester Oxford Road** hotel from 10th January).

Registration is now open, via the [conference website](#). The deadline for registration, abstract submission and payment is **February 21st**. The standard rate is £550 for full delegates, and £400 for students (sharing a room), including all accommodation, catering, receptions, and the Wednesday evening conference banquet at nearby Manchester Museum. In addition to our distinguished speakers (below), we look forward to the **35th Bruker Prize Lecture**, the **6th Bruker Thesis Prize** and the **24th JEOL Prize and Lecture**.

Eric McInnes, Manchester

Bruker Prize lecture: Prof David Collison (University of Manchester)
