

What is Chemistry to you? What does Chemistry look like in your eyes (or Mind's eye)?

What is happening?

The RSC Cumbria Section are holding a picture competition to see what Cumbria thinks Chemistry looks like in day to day life. We would like you to produce/take an image/photo that shows the world what Chemistry means to you, the more creative and visionary the better.

How do you take part?

Draw a picture or take a photograph with the theme 'Chemistry in Everyday Life' and write a caption (<30 words).

1. Send it to RSCCumbriaSection@gmail.com as a pdf or jpeg (above 3MB*) by the 15th September 2017 along with your name, date of birth, school (if applicable) and contact details.
2. Winners and runner-ups in each category will be announced on the mid-October 2017.
3. The winning and runner-up submissions in each age category will be turned into a calendar available to buy for £5.
4. Further Terms and Conditions are available on the RSC Cumbria Section website or on request from the email address above.

What are the age categories?

Under 7, 7-10, 11-13, 14-16, 16-18, over 18

What is the prize?

Winner of each age category will receive a £50 Amazon Voucher and free calendar.

Runner-up will receive a free calendar.

Any School that wins a category will receive a free calendar for their Science classroom.

*We may request the original image or higher resolution, see terms and conditions.
