

**RSC Theoretical Chemistry Group  
Conference  
University of Nottingham  
June 20 - 22, 2016**

- ◆ 2-day meeting will cover a broad spectrum of theoretical and computational chemistry
- ◆ experimentalists with interest in computations and collaborations with theory are very welcome
- ◆ talks by leading international and UK scientists
- ◆ the meeting will host a graduate student session

The University of  
**Nottingham**

**world-changing research**  
from The University of Nottingham

**RSC Theoretical Chemistry Group  
Conference  
University of Nottingham  
June 20 - 22, 2016**

**Invited Speakers (confirmed)**

- ◆ Barbara Kirchner, Bonn, Germany
- ◆ Carla Molteni, King's College London, UK
- ◆ Nikitas Gidopoulos, Durham, UK
- ◆ Graham Worth, Birmingham, UK
- ◆ Irene Burghardt, Frankfurt, Germany
- ◆ Lynn Kamerlin, Uppsala, Sweden
