

RSC Organic Division Midlands Meeting 2015

Department of Chemistry
University of Sheffield

Thursday, 9th April 2015

Closing Date for Registration Friday, 27th March 2015

Programme

9.30 - 10.30 am	Coffee, registration, posters set-up
10.30	Welcome by Dr David Williams, Richard Roberts Auditorium
First session	Chair: Prof Iain Coldham
10.30 - 11.00 am	Dr Elaine O'Reilly
	Department of Chemistry, University of Nottingham Title: "Engineering the Next Generation of ω -Transaminase Biocatalysts for Industrial Application"
11.00 - 11.30 am	Dr John Fossey
	School of Chemistry, University of Birmingham Title: "Catalysis and Sensing: Click to Proceed"
11.30 - 12.00 am	Dr Warren Cross
	School of Science and Technology, Nottingham Trent University Title: "Controlling selectivity in C-H activation reactions"
12.00 - 12.30 pm	Dr Andrew Capel
	Department of Chemistry, Loughborough University Title: "Advancing continuous flow processes via 3D Printing"
12.30 - 2.00 pm	Lunch in Atrium, Posters in seminar rooms, Richard Roberts Building
Second session	Chair: Prof Richard Jackson
2.00 - 2.30 pm	Dr Joanna Geden
	Department of Chemistry, University of Warwick Title: "Towards the Total Synthesis of Phyllostictine A"
2.30 - 3.00 pm	Dr Mike Whitcombe
	Department of Chemistry, University of Leicester Title: TBC
3.00 - 3.30 pm	Prof. Steve Rimmer
	Department of Chemistry, University of Sheffield Title: "Radical and cationic polymerisations in the presence of silyl enol ethers"
3.30 - 4.00 pm	Tea
Third session	Chair: Dr David Williams
4.00 - 5.00 pm	Professor Ed Tate,
	Department of Chemistry, Imperial College London Title: "Targeting protein modification from malaria to cancer via fish, hedgehogs and the common cold" Followed by presentation of the 2014 Norman Heatley Medal
5.00 pm	Wine reception, Atrium, Richard Roberts Building

Closing Date for Registration: Friday, 27th March 2015

VENUE

The conference will take place in the Auditorium of the Richard Roberts Building, immediately adjacent to the Dainton Building, University of Sheffield – Further details can be found at:

<http://www.sheffield.ac.uk/visitors/mapsandtravel>

TRANSPORT

Participants arriving by train at Sheffield Midland Station should catch the tram from the rear of the station. Trams heading for Malin Bridge/Middlewood (blue route) run via the University approximately every 10 minutes. For the return journey take the tram travelling to Halfway.

Parking in the University area can be difficult, so if you are planning to travel by car, we recommend that you use the Park & Ride facilities.

Further details may be found at: <http://www.sheffield.ac.uk/visitors/mapsandtravel/parkandride>

We regret that no permits can be issued for University car parks.

REGISTRATION

Registration is free.

To register for the meeting please contact Ms Elaine Frary at e.frary@sheffield.ac.uk, providing the following information:

Name (First name, family name)

Affiliation (University etc)

Any special Dietary Requirements (vegetarian etc)

If you intend to present a poster, please provide a title

POSTERS

If you intend to present a poster please provide a title and the name of the presenting author when registering. Posters should be portrait style and A0 size.

SPONSORS

We warmly thank the following for sponsorship and other assistance with this meeting:

Scientific Laboratory Supplies (SLS) Ltd

Advion Ltd

Royal Society of Chemistry, Organic Division
