

1st International Caparica Christmas Conference on Translational Chemistry:

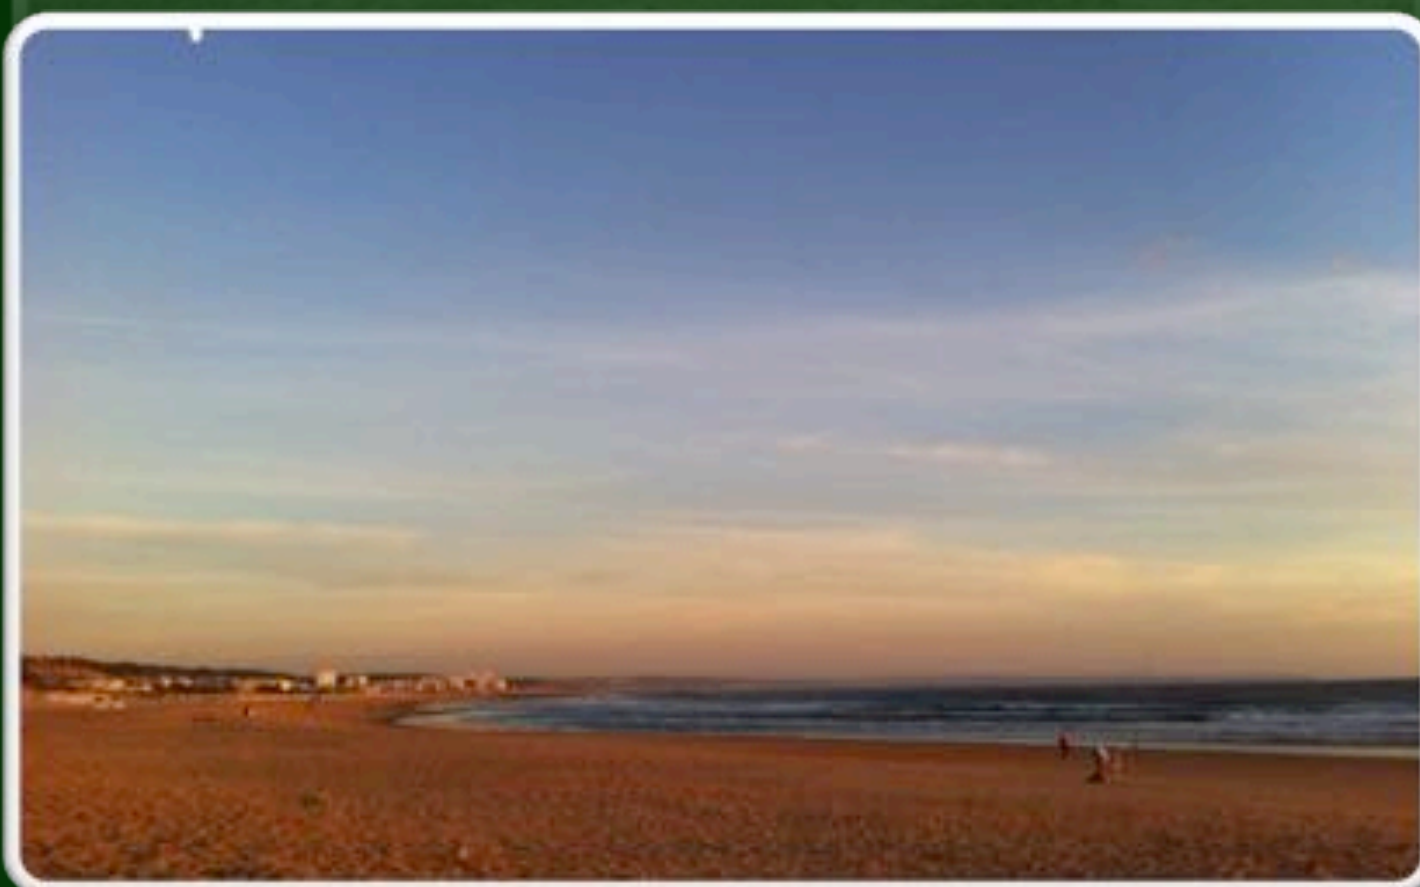

Acknowledge the value of *Chemistry, a central science for a better living*

December 7th – 10th 2015, Caparica-Lisbon, Portugal | www.ic3tc2015.com

Organized by PROTEOMASS Scientific Society in cooperation with FCT-UNL

★
Christmas Conference

nano
marine
organic
physical
inorganic
materials
analytical
medicinal
educational
biochemistry
environmental
drug development
chemical engineering
conservation & restoration

PLENARY SPEAKERS

João Rocha – Aveiro | Portugal

Luca Prodi – Bologna | Italy

Luisa de Cola – Strasbourg | France

Masahiro Yamashita – Sendai | Japan

Pauline Rudd – Blackrock | Ireland

KEYNOTES SPEAKERS

Artur Silva – Aveiro | Portugal

Nelsi Zaccheroni – Bologna | Italy

Emilia Bértolo – Canterbury | UK

Alcindo dos Santos – Sao Paulo | Brazil

Ana A. Ricardo – Caparica | Portugal

Gianluca Farinola – Bary | Italy

Marco Arruda – Campinas | Brazil

Maria João Melo – Caparica | Portugal

Fernando Pina – Caparica | Portugal
