

RSC Bio-Organic Postgraduate Symposium

Thursday 19th April 2012

School of Chemistry, Cardiff University

This one day meeting is **open to all**, and is an opportunity for postgraduate students to present their work at a national level. The day will conclude with a plenary lecture from Prof Chris McGuigan.

Submission of abstracts for **oral presentations and posters** are welcome from postgraduate students in the broad fields of bio-organic chemistry and chemical-biology. **Prizes** will be awarded for the best oral and poster presentations.

A number of **travel bursaries** are available for student Royal Society of Chemistry members from outside Cardiff, with priority given to those making oral or poster presentations.

The meeting will take place at the [School of Chemistry](#), Cardiff, CF10 3AT. Poster set-up and coffee will be from 10:30 am, with talks at 11:00. The meeting will close at 17:30.

Registration and abstract submission form are available on the [RSC website](#) (event ID 108476). Registration costs £15 inclusive of lunch and all refreshments.
