

2018 International Symposium on **CHEMICAL BIOLOGY**

JANUARY 10 - 12 2018

CAMPUS BIOTECH, GENEVA

Bringing together
the leading scientists in
chemical biology

KEYNOTE SPEAKERS

Prof. Paul Wender
Stanford University, USA

Prof. Dennis Dougherty
Caltech, USA

Prof. Tarun Kapoor
Rockefeller University, USA

SPEAKERS

Prof. Jason Chin
University of Cambridge, UK

Prof. Pietro de Camilli
Yale University and Howard
Hughes Medical Institute, USA

Prof. Hendrik Dietz
TUM, Germany

Prof. Nikta Fakhri
MIT, USA

Prof. Shiroh Futaki
Kyoto University, Japan

Prof. Yamuna Krishnan
University of Chicago, USA

Prof. Barbara Imperiali
MIT, USA

Prof. Aránzazu del Campo
Leibniz Institute for New Materials, DE

Prof. Evan Miller
Berkeley University, USA

Prof. Atul N. Parikh
UC Davies, USA

Prof. Hiroaki Suga
University of Tokyo, Japan

REGISTRATION

DEADLINE / December 15, 2017

ORAL PRESENTATIONS / Master and PhD students are invited to apply for an oral presentation during the satellite meeting.

POSTER SUBMISSION DEADLINE / December 1, 2017

FEE WAIVER / TRAVEL GRAND AWARDS available

Joint NCCR Chemical Biology/LS²
Satellite Meeting on Chemical Biology
for students & postdocs on January 10
