## Welcome to the XXV ICOMC

Dear Sponsors and Exhibitors,

On behalf of the Organizing Committee, I have the great pleasure to invite you to join us for the XXV International Conference on Organometallic Chemistry (XXV ICOMC) taking place in Lisboa, Portugal, between September 2<sup>nd</sup> and 7<sup>th</sup>, 2012.

The Conference follows the remarkably successful previous editions of this prestigious series, *e.g.*, those held in Taipei, Rennes, Zaragoza and Vancouver, just to mention the closest ones. It is expected to congregate *ca.* 1,200-1,400 delegates from many countries all over the world.

Besides the oral contributions and poster presentations, along various scientific sessions, an exhibition will also be staged along the conference with the contribution and participation of sponsor and exhibitors, which should become a key attraction for the all the delegates, giving access to up-to-date information and promoting direct contacts among participants and company representatives.

The venue, at the Lisboa University campus, is very conveniently located in the town, at a close distance from its centre and the airport, being served by underground (the “Cidade Universitária” station is just by the Rectory, the main building of the Conference venue).

A social program is also being scheduled and the Conference should run in a very pleasant and relaxed way in a host city that is also rather attractive, steeped in culture and history, overlooking the majestic river Tagus on its final stretch towards the sea.

We look forward to welcoming you in Lisboa,

Prof. Armando J.L. Pombeiro  
Conference Chair

## Lisbon

Most likely founded by the Phoenicians, styled by the Moors and certainly enriched by the spice trade in the golden age of the overseas trade, Lisboa is a historic capital, a potpourri of unusual character and charm, an amalgam of 8000 years of cultural influences mingled with modern trends and life style creating intricate and spectacular contrasts. It spreads across seven hills, always opening a window towards the majestic Tagus River – richly captivating Lisboa invites you!

For visitors' general information on the city of Lisboa please see the official tourist office website [www.visitlisboa.com](http://www.visitlisboa.com) or the conference website <http://cqe.ist.utl.pt/events/icomc25/>
