

# 10<sup>th</sup> Analytical Biosciences Early Career Researcher Meeting

**30<sup>th</sup> March – 31<sup>st</sup> March 2023**

illumina Centre, Granta Park, Cambridge

Through an outstanding speaker programme and poster sessions, ECRM aims to bring together Early Career Researchers working in the field of Analytical Biosciences

## Keynote Speakers

**Dr Lynn Dennany**  
University of Strathclyde  
*Electrochemistry*

**Sam Alexander**  
Bicycle Therapeutics  
*Precision Oncology*

**Dr Tommaso Moschetti**  
illumina  
*Reagent Stability*

**Prof Lisa Hall**  
University of Cambridge  
*Analytical Biosensors*

**Prof Robin Allaby**  
University of Warwick  
*Archaeogenomics*

**Dr Sara Trabulo &  
Dr Paul Devine**  
AstraZeneca  
*Biologics & New Modalities*

**Abstracts invited for short talks**

**Tour illumina's customer solution lab**

**Save the date and register your interest now**

 RSC INTEREST GROUP  
**ANALYTICAL BIOSCIENCES** Chemical
