### TO WHOM SO EVER IT MAY CONCERN

The Arab diabetic forum are pleased to invite you to be one of the sponsors for our upcoming Grand Conference which will be held at Cairo ( Mariott El Zamalek Hotel) during 5 – 7 September 2012 , your participation ensures this event's success.

Our upcoming September 2012 Conference aiming to attract more 1000 Delegate 300 from Arab Countries & 700 from Egypt.

Arab Diabetic Forum working on inviting Arab recognized eminent experts; the conference program has been designed to provide participants an opportunity to explore the many facts of Diabetes combinatorial science, with session covering the key areas, with 3 days of dedicated time, these comprehensive topics is perfect for biotech & pharmaceutical companies, as well as diabetes devices manufacturers. This event also promotes communication & networking opportunities.

We know that sponsors play an extremely important role in the conference. Sponsorship options offer even greater exposure for your organization and come with variety of benefits.

For Diabetes devices equipment manufacturers there are additional opportunities to introduce their state-of- art instruments through practical demonstration.

The Forum will consist of many topics which will create awareness among the participants.

Finally, it is a need of the hour to save our people from this disease and create awareness among them regarding this. Thus we request you to sponsor our conference including patient's education program. We are really appreciating your sponsorship. Main sponsor's logo will be included in the program hoardings. We are doing this for a good purpose and due to this we need your active participation.

**Your Participation is highly appreciated**
