

POSTGRAD SYMPOSIUM XII

Friday 7th December 2018

Biological and Medicinal Chemistry *Symposium for postgraduates*

The **Biological and Medicinal Chemistry Sector (BMCS)** of the RSC will be hosting its twelfth postgraduate symposium for PhD students and postdoctoral workers researching in biological or medicinal chemistry and related areas. The event will be held in the **Department of Chemistry at the University of Cambridge** on **Friday 7th December 2018**. Researchers working in these areas are invited to participate.

Registration will start at 9:00 am with talks beginning at 10:00 am. The day will consist of 11 oral presentations (8 student and 3 keynote) plus a Flash Poster section. Each 20 minute student talk will be followed by 10 minutes for questions.

Throughout the day there will be keynote talks from industrial and academic chemists. A buffet lunch will be provided to accompany the poster session. The BMCS judges will be awarding prizes to participants. There will be prizes of **£300** for the best oral presentation and of **£150** for the best poster. These will be celebrated at the end of the day.

If you are interested in presenting your relevant PhD or post-doctoral work please submit a half-page abstract by **17th September 2018** in addition to registering. Those selected by the BMCS committee to give oral presentations will be notified by 27th October. Travel expenses will be reimbursed to speakers.

Submit abstracts to:

Dr. Dave Alker
dave.alker@btinternet.com

This event is **FREE** but all attendees should register as soon as possible and no later than the 30th November 2018.
