

The Royal Society of Chemistry  
Water Science Forum and  
Scottish Water would like to  
invite you to an early careers  
workshop.

Are you interested in Science?  
Do you want to know what a  
career in Water Science would  
involve?

Come along to the main Scottish Water laboratory  
to speak to scientists and see some of the routine  
tasks we perform when ensuring we provide safe  
drinking water to Scotland.

# Early Careers Workshop

Tuesday 19th of February 16:00-18:30

Scottish Water Laboratory

Heriot Watt Research Park, Edinburgh, EH14 4AP

**Free to attend**
