

FRIDAY 10th DECEMBER 2010

4th Biological & Medicinal Chemistry Postgraduate Symposium

*First call for students to apply to give oral presentations & posters.
Registration open.*

Free registration to all students across the UK working in biological / medicinal chemistry and related areas.

Are you also are interested in presenting your relevant PhD or post-doctoral work? Then please submit an abstract along with your registration form. Nine students will be selected to present their work as a talk (20 + 10 min). Prizes of £250 for best talk and £100 for best poster will be presented at the end of the day during the Wine Mixer sponsored by *Mid Anglia RSC*. Abstracts must reach us by **Friday 29th October 2010**.*

Invited Speakers

Prof Barry Potter (University of Bath): *Clinical Anticancer Drug Discovery: Sulfatase Inhibitors from Bench to Bedside*

Dr Steve Lindell (Bayer CropScience AG): *Talk title tbc.*

Dr Matt Tozer (Peakdale Molecular Ltd): *Talk title tbc.*

The symposium is FREE thanks to the generous sponsorship received. A buffet lunch will be provided to accompany the poster session.

Not submitting an abstract? Please register no later than Wednesday 1st December.

Completed registration forms (available from www-medchem.ch.cam.ac.uk) should be sent by email with "REGISTRATION BMCS SYMPOSIUM" in the subject line to email to Dr David Alker (dave.alker@btinternet.com).

*Students selected to give oral or poster presentations by the BMCS Committee will be notified by 13th November 2010.
Travel expenses will be reimbursed to oral presenters only.
