

Analytical Science Network
Supporting early career analysts

Emerging Analytical Professionals 2013

17th - 19th May 2013

Thorpe Park Hotel & Spa, Leeds

A Euro Vision

Analytical Science In Tune

Harmonisation across Europe in a range of analytical disciplines:

Environmental Science,
Standards and Methodologies,
Pharmaceuticals;
Forensic Science,
Safety and Security.

EAP is an **all inclusive** weekend conference aimed at early career scientists and researchers both in industry and academia. There will be an emphasis on networking opportunities and continuing professional development activities as well as back-to-basics technique workshops and general interest analytical presentations and talks.

Bursaries available - contact the EAP conference chair for details - asnquiries@hotmail.co.uk

Deadlines for abstract submission: Oral presentations - February 22nd 2013, Posters - March 31st 2013.
