

# STEM Networking Event

An invitation to all managers, teachers, tutors, learning support assistants, IAGs, learner service staff and employers to attend a STEM networking event which will bring together colleagues from key organisations working to develop STEM capability locally and regionally.

**Wednesday 4th December 2013**

**5-7pm**

**Barnstaple Hotel, Braunton Road, EX31 1LE**

**Buffet and Drinks provided**

- Explore how to work more effectively with employers
- Generate productive relationships with businesses
- Meet STEMNET Ambassadors to discover how they can help you to enrich your curriculum
- Address quality improvement in STEM Teaching and Learning
- Investigate STEM CPD opportunities
- Share ideas to strengthen STEM learner progression
- Discuss the STEM learner outreach offer

Support current and future skills needs for the local community

Bespoke learner outreach -events for all ages

Working together to deliver cross curricular and coherent STEM education and training that meets employer needs and industry sector standards

Why wouldn't you be at this event?
