

SEPTEMBER
11-13, 2023

KARAGANDA
KAZAKHSTAN

25TH CONFERENCE ON ISOPRENOIDS

2023

WELCOME TO THE 25TH CONFERENCE ON ISOPRENOIDS

The 25th Isoprenoids meeting will take place in Karaganda, Kazakhstan on September 11-13, 2023. The Scientific and Organizing Committees invite you and your colleagues to take part in this forum. This Conference series, started at the early 1960s, is one of the longer-running scientific events dedicated to natural compounds.

The conference is organized by the International Research and Production Holding "Phytochemistry" (Kazakhstan), the Isoprenoid Society and the Czech Chemical Society. The Conference is supported by the Ministry of Science and Higher Education of the Republic of Kazakhstan, the European Chemical Society and the Phytochemical Society of Europe.

The programme of the conference
will cover the following topics:

1

Chemistry of natural isoprenoids. The search for natural sources. Biosynthesis and metabolism. Total synthesis. Methods of stereoselective synthesis. Methods of structural analysis.

3

Molecular-biological, genetic engineering and environmental aspects of isoprenoids.

2

Pharmacological research of isoprenoid compounds and their practical application.

4

Production technology of original drugs based on isoprenoids.

Important Dates

Abstracts submission deadline
16 June 2023

Early bird registration deadline
16 June 2023

Standard registration deadline
21 July 2023

Manuscripts submission to the
Special Issue of Fitoterapia deadline
1 September 2023

Language of the conference:
English

Registration will open late 2022

More details about
the conference and the
registration can be found
on the conference website:
