

Adventures in Heterocyclic and Nitrogen Chemistry

Wednesday 7th May 2008: NUI, Galway

Venue: Dillon Theatre

Schedule:

11.30 Coffee and welcome

12.00 'Conjugated Conundrums: Exploring Michael Reactivity'
 Dr. John Stephens, NUI, Maynooth

12.30 'New catalytic methods developed for the efficient synthesis of natural products'
 Prof. Tim Donohoe, Head of Organic Chemistry, University of Oxford

13.20 Lunch

15:00 'Synthetic and Technology Applications for High-Throughput Chemistry'
 Dr. Donal O'Shea, University College Dublin

15:30 Dr. Paul Duffy, Pfizer Pharmaceuticals

15:50 'Across a crowded room: identifying novel biological mechanisms induced by small molecule anticancer heterocyclic compounds.'
 Malcolm Stevens Emeritus Professor, School of Pharmacy,
 University of Nottingham and Chief Scientific Officer, Pharminox Ltd,
 Nottingham.

16:40 Prof. Richard N. Butler NUI, Galway.

17:00 Close

19:30 Conference Dinner: Marking the retirement of Prof. Richard N. Butler

Registration for the conference is free. Registration for the meal costs 30 euro.
 Please confirm your registration by contacting Dr. Patrick O'Leary (patrick.oleary@nuigalway.ie)
 indicating whether you will attend the scientific sessions, the conference dinner or both.
