

A one day meeting entitled **“Tablets and LIMS: A powerful combination for the electronic biopharmaceutical CMC laboratory in the 21st Century”** will be held at **The Chemistry Centre, Royal Society of Chemistry, Burlington House, Piccadilly, London** on **Tuesday 15<sup>th</sup> November 2011**

Technology is forging ahead and Laboratory Information Management Systems (LIMS) interfaced with Tablet computers promote paperless operations in the Wi-Fi enabled laboratory. In this seminar we will look at the challenges associated with the implementation of a Wi-Fi enabled system in a GMP CMC laboratory environment with LIMS and Electronic Laboratory Notebooks (eLN). The associated costs and savings from implementing this type of technology will be discussed as will the changes to the GMP regulations. While this seminar is focussed at managers and scientists in the pharmaceutical industry it will be of interest to scientists working in a regulated analytical laboratory environment who are looking at / proposing to move to a paperless environment.

#### PROGRAMME

- 10:00 Registration and coffee**
- 10:25 Welcome and Introduction– Chair East Anglia Region - *Dr Sara Evans***
- 10:30 Overview - *Gerry Maxwell, NDA Analytics Ltd***
- 11:00 Is GMP Annex 11 Europe’s Answer to 21 CFR 11? - *Dr Bob. McDowall, McDowall Consulting***
- 11:45 The challenges of implementing LIMS with eLN in a GMP regulated environment - *Richard Coxhead, NDA Analytics Ltd***
- 12:30 eLN – Wi-Fi the way forward? - *Presenter to be advised***
- 13:00 Lunch**
- 14:15 Practical Applications of paperless Quality Management Systems - *Mark Stevens & Jonathan Burd, GxPi***
- 15:00 Quality Risk Management: The challenges for the QP operating in a paperless environment - *Paul Graham, Paul Graham Pharma Consulting Ltd***
- 15:45 The importance of the vendor / user interface – How does the vendor help the end user pre and post Implementation? - *Nick Townsend, LabWare LIMS Solutions***
- 16:15 Questions and answers**
- 16:30 Close of meeting**

Note: alterations to this programme will appear on the East Anglia Region web site

#### REGISTRATION FORM

**“Tablets and LIMS: A powerful combination for the electronic biopharmaceutical CMC laboratory in the 21st Century”**

To register for this meeting, please complete and return the form below, together with the appropriate fee to: **Brian Woodget, 14 Benington Road, Aston, Herts SG2 7DX. [bwoodget1@sky.com]**  
Registration fees are: **RSC members £75, non-members £100, student/retired members and unwaged £40. For payment by BACS please contact Brian Woodget for payment details.**

Delegate name:..... Affiliation:.....

Address for correspondence:.....

.....

Tel:.....Fax:.....E-mail:.....

Cheque enclosed for £..... payable to **The RSC/AD East Anglia Region Trust.**

I do/do not have any special dietary requirements – please specify if necessary .....
