

## Royal Society of Chemistry Roadshow – Loughborough University

### Programme

11 February 2015, Chemistry Department Foyer and F002

|               |  |
|---------------|--|
| 10:00         | <p>How to get your work published in high impact journals</p> <p>Do you know how to get your research published? Would you like some top tips on submitting an article? Join the publishing experts and learn from the insiders about the best way to get your research recognised through publishing.</p>   |
| 11:00         | <p>Big Data: ChemSpider, the National Chemical Database Service - how can these free tools help you discover the research you're searching for?</p> <p>Join us for a live workshop and learn how to use these resources.</p>   |
|               | <p>From Research to the Real World: connecting with policy makers, influencing government and communicating impact</p> <p>Have you ever thought about the wider picture and how your research can influence the world? This session can help you to develop transferable skills, link your research to grand challenges/topical issues, obtain funding, build partnerships to support research and to tap into EU funding.</p>   |
| 12.45         | <p>Lunch</p> <p>Join us for refreshments and interact with your peers, Royal Society of Chemistry staff and speakers.</p>  |
| 14.00         | <p>How to find the best career opportunity open to chemistry graduates</p> <p>Need help finding the perfect job? This talk is a great place to start! Gain tips and advice on job seeking, tailoring your CV and potential career opportunities with the Royal Society of Chemistry including our graduate scheme.</p>   |
| 15:00         | <p>What? Why? How?</p> <p>Sharing your passion for chemistry with the wider world can improve student recruitment, enrich grant applications, enhance public perceptions of your work...and it's fun! Find out how we are supporting educational and public outreach programmes in your area, get some ideas for outreach activities and discover how to get involved.</p>   |
| 16:00         | <p>How can chemistry solve the world's challenges?</p> <p>Join us for a roadmap interactive session where you come up with ideas to solve global challenges.</p>   |
| All Day Stand | <p>RSC Member Services &amp; Networks</p> <p>Find out more about RSC Membership, join &amp; renew. Including:</p> <ul style="list-style-type: none"> <li>- Maximising Networks: Local Sections, Divisions &amp; Interest Groups, MyRSC Online Community</li> <li>- Member Benefit Discounts &amp; Savings: Travel Grants, Books Discount, Insurance, Entertainment, Lifestyle Benefits &amp; Much More</li> <li>- Professional Qualifications &amp; Awards: Chartered Status</li> <li>- Careers &amp; Professional Services</li> </ul> |
| All Day Stand | <p>Inspire to Teach: Find out more about a career in Chemistry teaching</p> <p>Find out more about what it's really like to be a chemistry teacher in the UK, as well as how to apply for courses and the Royal Society of Chemistry Teacher Training Scholarships.</p>  |
| 16:30         | <p>Close</p>   |
