

## ESSENTIAL CPD

# OCR A Level Chemistry: A practical masterclass in association with Sheffield Hallam University

*This new course is designed to encourage creativity and innovation for practical assessment. Suitable for all experienced and newly qualified teachers of **OCR A Level Chemistry**. To be delivered by OCR Senior Assessors and experts from the Centre for Science Education at Sheffield Hallam University.*

Don't miss your opportunity to attend this unique CPD event to be held at Sheffield Hallam University. You will gain hands-on experience of modern chemical techniques and enjoy innovative classroom practicals relevant for teaching **all** OCR A Level Chemistry units.

This **full day course** will include:

- A choice of engaging workshops\*:
  - **Analytical techniques including nuclear magnetic resonance (NMR)**
  - **Synthetic organic techniques in undergraduate chemistry labs**
  - **A workshop to trial practicals that can be reproduced in the classroom**
- A talk on an area of cutting edge chemistry by a leading researcher
- A session on assessment technique and practice by an OCR Senior Assessor
- The opportunity to network and share ideas for best practice.

**NEW COURSE**

**Wednesday 13 July 2011**  
**Centre for Science Education**
