This postgraduate symposium is for PhD and postdoctoral researchers working in biological or medicinal chemistry and related areas.

The symposium will be held in the Department of Chemistry at the University of Cambridge on Friday 14th December 2012. Individuals working in these areas from any university are invited to participate in this full day event.

The day will consist of 8 oral (student) presentations plus talks from our keynote speakers from industry and academia.

A free buffet will be provided during the lunchtime poster session.

CALL FOR ABSTRACTS
Deadline 28th September 2012

The RSC BMCS will award one prize of **£250** for the best oral presentation and a prize of **£100** for the best poster. These will be presented at the end of the day during the Wine Mixer.

If you are interested in presenting your relevant PhD or postdoctoral work submit a half-page abstract by 28/9/12 along with your registration form.

Those selected by the BMCS committee to give oral presentations will be notified by 26th October. Travel expenses will be reimbursed to speakers. This event is **FREE** but you must register no later than by **7/12/12** by email to: Dave Alker at dave.alker@btinternet.com.
