

# Water Network Conference 2014, 18<sup>th</sup> September

7<sup>th</sup> Conference of the UK Network on Potable Water Treatment & Supply  
Vincent Lecture Theatre, Cranfield University

This conference aims to promote the exchange of the latest information and developments in water treatment and supply. The conference is the seventh in a series that provides an excellent opportunity for scientists, engineers, regulators and researchers working in this area to network and discuss key issues.

## Programme and Talk Titles

10:00	Registration and Coffee	
10:30	John Fawell	Chairs introduction to the conference <i>Chair of the Water Network</i>
<b>Session 1 – Water Distribution</b>		
10:45	Joby Boxall	<i>Keynote talk: Pipe Dreams: what is in the pipeline – Sheffield University</i>
