

4th Global Summit on
**Nanotechnology
& Nanoscience**

May
30-31, 2024

Venue:

Double Tree By Hilton,
Al Jaddaf, Dubai, UAE

Theme:

"Nanotechnology: Driving
Innovation and Economic Growth"

Invitation

Dear Attendees,

We are happy and elated to announce the 4th Global Summit on Nanotechnology and Nanoscience to be held in Dubai, UAE during May 30-31, 2024 organized by Pagicle Ltd., as a team with liberal help and participation from Academicians, Scientists, Professors and Young Turks from the field of Nanotechnology and Nanoscience.

This conference is a distinct international platform that brings together all stakeholders from across the ecosystem – industry, academia, researchers, innovators, regulators – coming together to present and discuss hot topics in Nanoscience and Technology, Nano polymers, Nanotubes and Nano porous Materials, Nano Physics, Nano Weapons, Nanoelectronic and Biomedical devices, Nanomedicine, Nano Materials & Nanocomposites, Cancer nanotechnology, Nanosensors and Actuators, Materials Science and Engineering, Nano drug delivery and biosensors, Regenerative nanomedicine, Nano Structures, Nanotechnology in Materials Science, Advanced nanomaterials, Nanotoxicity, Molecular Nanotechnology, Nano Chemistry, Advancing Cellulose-based Nanotechnology, Nano Mechanics, Bio-Nanomaterials and Tissues engineering, Nanotechnology and Energy, Nanooptoelectronics, Carbon-based and graphene-based nanomaterials, Nano diagnostics and Its applications.

We have put together a program taking into account your interests. We have not only increased the amount of opportunities for you to network with colleagues around the world, but we have also introduced additional target sessions which will include cutting-edge presentations, special panel discussions and more lively interaction with speakers from different spectra.

Attend the Nanova Conference Dubai 2024 with your peers, exchange experienced knowledge, and arm yourself with the most recent data to require your department to succeeding level.

We look forward to meet and See you in Dubai, UAE 2024.

Best Regards,
Nanova Dubai 2024
Pagicle Ltd.

About the Event

We welcome your gracious presence at “4th Global Summit on Nanotechnology and Nanoscience” to be held during May 30th-31st, 2024 at Dubai, UAE. Nanova Dubai 2024 main aim is to gather and have valuable discussions in the field of Nanotechnology and Nanoscience. These innovations and presentations will help to establish a basic knowledge to all the participants.

On this auspicious occasion, Organizing Committee invites participants from all over the world to come and join this flagship conference with the theme “Nanotechnology: Driving Innovation and Economic Growth”, which provides the unparalleled opportunity to explore the techniques on Nanoscience. Our program includes Keynote presentations, Oral presentations, Poster presentations, Workshops, Symposia, and Panel discussions.

Nanova Dubai 2024 creates an international forum for Professors, Academics, Researchers, Scientists, Nanoscience professionals and Business Entrepreneurs from all over the world to discuss the latest issues related to Nanoscience and Nanotechnology.

The Conference will have an area for firms and/or establishments to gift their services, products, innovations and analysis results. If your company/organization is inquisitive about taking part during this event, then come and be the part of this.

Hope you will take this opportunity to join us and visit the city of Dubai, UAE.

Who Should Attend Nanova Dubai 2024?

4th Global Summit on Nanotechnology and Nanoscience uniquely designed for scientists, Nanoscience Researchers, Nanotechnology Professionals, Research faculties Academic Scientists, Nanoscience Students, Nanotechnology Engineers, Nanotechnology Associations and Societies, Nanoscience laboratory professionals, Start-ups & Exhibitors, Business Entrepreneurs, Associations and Collaborations, Industry Professionals from the field of Nanotechnology, chemical engineering, polymer science, Nano catalysis, biocatalysts, surface chemistry, of industrial catalysis, Physical Chemistry, Organic Chemistry, Inorganic Chemistry, Materials Science and others engaged in endeavors related to the analysis of Nanoscience and Nanotechnology and business.

Reasons To attend Nanova Dubai 2024

- Up-to-date research, current and emerging Nanotechnology trends, new technologies, and tools are exclusively discussed at the conference. Do not let old and outdated information hold you back!
- Discover how other research can play a key accelerator role in your work and give you a competitive edge in achieving precision in desired results. Discover better ways to innovate, collaborate, work, and report.
- Get inspired by talking face to face with thought leaders, subject matter experts and peers. Tap into their knowledge; discover innovative services that can benefit your research work.
- With participants representing many countries, your ability to engage with global sustainability leaders and your opportunity to see your work from a global perspective will be worth it.
- Each presenter will have some time for a Q&A session after their presentation, where you might receive questions about a challenge in your workflow or are looking for advice on implementing new techniques in your work. Hence, you will get some solutions and tips, which might be helpful for you.
- An idea is usually generated intentionally and created unintentionally. Ideas are often formed during brainstorming sessions or discussions.
- Bring your expertise to the local level and help the community through collaboration and networking. If you would like to speak at the conference, please submit your content ideas and boost your professional status.

Scientific Sessions & Tracks

- Introduction to Nanotechnology
- Nanoscience and Technology
- Nano polymers, Nanotubes and Nano porous Materials
- Nano Physics
- Nano Weapons
- Nanoelectronic and Biomedical devices
- Nanomedicine
- Nano Materials & Nanocomposites
- Cancer nanotechnology
- Nanosensors and Actuators
- Materials Science and Engineering
- Nano drug delivery and biosensors
- Regenerative nanomedicine
- Nano Structures
- Nanotechnology in Materials Science
- Advanced nanomaterials
- Nanotoxicity
- Molecular Nanotechnology
- Nano Chemistry
- Advancing Cellulose-based Nanotechnology
- Nano Mechanics
- Bio-Nanomaterials and Tissues engineering
- Nanotechnology and Energy
- Nanooptoelectronics
- Carbon-based and graphene-based nanomaterials
- Nano diagnostics
- Nano catalysis & Nano chemistry
- DNA Nanotechnology
- Nanoproteomics
- Nanobiotechnology, Nanoenzymes, Nanogenomics
- Green Nanotechnology
- Hydrogen technology
- Nanotechnology in food processing
- Quantum Electronics
- Nanoporous Aerogel Materials
- Applications in Nanotechnology & Nanomedicine
- Nano fabrication
- Nanoinformatics

About Dubai, UAE

Dubai is a popular tourist destination with many attractions and activities to offer. Here are some of the top reasons to visit Dubai:

The Beauty: Dubai is known for its stunning architecture and modern skyline, as well as its beautiful beaches and desert landscapes.

Culture and History: Dubai has a rich history and culture that can be explored through its museums, traditional markets, and historic sites.

Food: Dubai is famous for its delicious local cuisine, including classic brunches and international cuisine.

Hotels and Resorts: Dubai has a wide range of luxurious hotels and resorts that offer world-class amenities and services.

Dubai Creek: The Dubai Creek is a natural inlet that has been an important part of the city's history and culture.

Dubai Aquarium: The Dubai Aquarium is one of the largest indoor aquariums in the world and is home to a wide variety of marine life.

Desert Safari: A desert safari is a popular activity in Dubai that allows visitors to experience the beauty of the desert and enjoy activities such as dune bashing, camel riding, and sandboarding.

Shopping: Dubai is a shopper's paradise, with many malls and markets offering a wide range of products, from luxury brands to traditional handicrafts.

Adrenaline-filled experiences: Dubai offers many thrilling activities, such as skydiving, indoor skiing, and water sports.

Safety: The United Arab Emirates, including Dubai, is considered a safe destination for tourists.

Overall, Dubai has something to offer for everyone, from its stunning architecture and natural landscapes to its rich culture and exciting activities.

Dubai is a city of skyscrapers, ports, and beaches, where big business takes place alongside sun-seeking tourism.

Here are some interesting facts about Dubai:

Dubai is the most populous city in the United Arab Emirates (UAE) and the capital of the Emirate of Dubai. Dubai is a relatively tolerant and cosmopolitan city due to its large expatriate population, and the atmosphere is generally tolerant. Dubai is a relatively crime-free place where administrative efficiency and openness to business have encouraged astounding growth. Dubai is a very young and dry city. Humans have lived in the United Arab Emirates (UAE) for 125,000 years, yet it was not until the 18th century that the town we know today as Dubai was founded. Dubai is home to the world's tallest building, the Burj Khalifa, which stands at 828 meters (2,716 feet) tall. Dubai has a Minister for Happiness who is responsible for encouraging happiness among Dubai inhabitants. Dubai is known for its extravagant luxury and high-tech facilities. Dubai Creek is a natural inlet that has been an important part of the city's history and culture. Dubai is home to more than three million people, with over 200 nationalities represented. Dubai has invested heavily in development and construction plans designed to promote tourism, transport, and industry. Dubai is a shopper's paradise, with many malls and markets offering a wide range of products, from luxury brands to traditional handicrafts. Dubai is a city that has experienced astounding growth due to its administrative efficiency, openness to business, and diverse economy. Overall, Dubai is a city that offers a unique blend of modernity and tradition, with a rich history and culture that can be explored through its museums, traditional markets, and historic sites.

Conference Registrations

Registration Fee (Per Person) Academia Registration Fee:

Type	On before September 29 th , 2022	On before December 29 th , 2023	Final Call March 28 th , 2023
Only Registration	\$499	\$599	\$699
Poster Presentation	\$549	\$649	\$749
Listener/Delegate	\$599	\$599	\$599
Young Researcher/ Student	\$399	\$399	\$399

Business Registration Fee:

Type	On before September 29 th , 2023	On before February 28 th , 2024	Final Call April 30 th , 2024
Only Registration	\$599	\$699	\$799

Sponsorship & Exhibition Registration:

Type	On before September 29 th , 2023	On before February 28 th , 2024	Final Call April 30 th , 2024
Sponsorship	\$1099	\$1499	\$2000
Exhibition	\$1099	\$1499	\$2000

Registration fee Includes:

- One Presenter/Listener Slot
- Participation Certificate
- Access to conference sessions and panel discussion
- Conference Kit
- Access to all the conference rooms
- Access to Conference Recording & Photos
- University Logo placement on banners
- Abstract Book
- Access to all virtual conferences as Listener for one year from the date of conference.
- Lunch and coffees and snacks during the conference

Conference Accommodations

Type of Accommodations	On before September 29 th , 2023	On before April 30 th , 2024
Stay Pack A (Two Nights Stay)	\$799	\$999
Stay Pack B (Three Nights Stay)	\$949	\$1399
Extra Person (Accompany)	\$149	\$149

All Packages (A & B) includes:

- Complimentary Wi-Fi in the guest rooms
- Complimentary Breakfast
- Speaker/Listener Pass
- Participation Certificate
- Access to conference sessions and panel discussion
- Conference Kit
- Access to all the conference rooms
- Access to Conference Recording & Photos
- University Logo placement on banners
- Abstract Book
- Access to all virtual conferences as Listener for one year from the date of conference.

Nanova Dubai 2024 is an exciting opportunity to display the new technology, the new products of your company, and/or the service your industry may offer to a broad international audience. Nanova Dubai 2024 delivers over 100+ attendees from over 40 countries supporting the development and commercialization of innovations in the field of Nanoscience and Nanotechnology. As an exhibitor, you will access the corporate executives, researchers, engineers and commercialization leadership that rely on your products and services to develop these new technologies.

Sponsorship Benefits	Exhibitor Benefits
<ul style="list-style-type: none">• Draped booth space of 3*6 meters with priority to purchase exhibition space and choose booth location• Two conference passes & Three booth personnel passes• Web listing with link to your company website• Publication of the exhibitor profile in the souvenir (2 A4 colour pages)• Logo recognition in the scientific program, Conference banner and flyer.• Participation in the One-on-One Partnering Program• Acknowledgement during Opening Ceremony & Gala Dinner• Speaker Opportunity in the conference program• Company logo on all on-site signage• An exclusive online Promotion on all our Social Networking Sites.• Three inserts provided by the sponsor in the congress delegate bags	<ul style="list-style-type: none">• Draped booth space of 3*3 meters• One conference passes & one booth personnel pass• Web listing with link to your company website• Publication of the exhibitor profile in the souvenir (1 A4 page)• Logo recognition in the scientific program, Conference banner and flyer.• One Presentation Slot about the organization.• Advertisement Video on conference website

Who Can Exhibit?

- Commercial Organizations
- Research Laboratories
- Universities/Institutes
- NGO's
- Start-up Companies
- Journal Publishers

Sponsorship powerfully influences the audiences more than any other tool. It is a direct cost-effective way to capture your target market. Aside from valuable brand exposure throughout the event campaign and during the event itself, sponsorship is your route to addressing our audience with your knowledge and experience through our unique programme of conference and learning sessions.

Our sponsorship packages are customized to our client's specifications. We understand that every business is unique and will work with you to develop a package that meets your business's individual goals and objectives.

Why to Sponsor?

Exhibitions allow you to advance all your marketing goals:

- Long term building
- Generating media coverage
- Engage with loyal customers
- Teaching new prospects about offerings
- Promote your services to potential clients
- Teaching new projects about your offerings
- Showcase your products to the event attendees
- Establish partnership with key players in the value chain
- Establish collaborations with other companies and individuals
- Identify prospective clients among conference attendees and organizations they represent

Pagicle Ltd. is initiated for conducting online and Physical events globally. Pagicle Ltd. involves in planning, Organizing and execution of scientific events across the globe with people from different scientific backgrounds come together and participate in these events. Our attendees includes academicians, professors, students and Industrialists where they come together to join and share their knowledge. Our organization believes in imparting holistic and sustainable development with the mission to ignite young Turks and prepare them for future challenges.

Our focus is to make available scientific research articles in all the areas of education easily accessible by the researchers and academicians based on the open access platform. We believe that the open access model will create a dynamic space for learning, sharing and stimulating research all around the world.

We provide the opportunity free, unrestricted access to excellent research articles to academia, researchers and interested individuals who seek knowledge and enlightenment. Pagicle Ltd. believes that knowledge should be easily accessible without restrictions. It understands the unique challenges faced by researchers in their work towards achieving their personal and professional fulfilment.
