

MALAYSIA

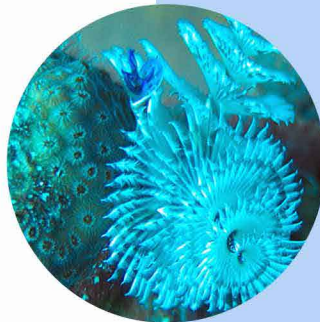

Marine science-2017

22-24 May, 2017

Theme of the conference

Marine Science Research and Technology Conference

**Early Bird
Registration Ends-
28th November, 2016**

**2nd Round for
Abstract Submission Ends-
21st November, 2016**

OVERVIEW

■ **"Marine science research and technology conference"** (Marine science - 2017) hosted and organized by Clyto Access Inc in Malaysia from 22 to 24 May, 2017 providing an international forum for the exchange of information in a wide arena of branches like marine biosphere, aquatic ecosystems, microscopic phytoplankton, oceanography, ecology, botany, etc.

■ Marine science -2017 is organized in association with **"Journal of marine science research and technology"** an open access journal, accepts articles in the field of Marine biology, interactions between saltwater organisms and their environments, often selecting a specific area of study, such as the conservation or rehabilitation of marine species. The journal serves as a hub between academic professionals, research scholars and industrial's in spreading the recent advancements of marine science research and technology. Conference participants are also invited to contribute their research papers adding value to our journal.

Marine Science - 2017 emphasizes on biological sciences, including evolutionary, molecular and cellular biology, as well as topics in oceanography, ecology, botany, genetics of marine plants and animals in relation to their ecology, marine conservation and technologies used in development of marine biology.

Registration

	On/Before Oct 10, 2016	On/Before Apr 30, 2017	Onspot Registration May 22, 2017
Industry	\$749	\$849	\$899
Academics	\$699	\$799	\$849
Student	\$299	\$349	\$349

Sponsorship

Clyto Access organizes interdisciplinary conferences which showcase most recent research outcomes in life sciences which includes medicine and other roles of science and technology in society.

Marine Science - 2017 is a 3 days conference which has a lot of scope to network, interact, engage and learn current trends in research with the business leaders and industry's foremost researchers, while understanding the major issues that face the upcoming generation. Our attendees will be from top level sectors like research institutes, scientific & commercial organizations and academic institutes.

Clyto Access offers several opportunities for sponsors in demonstrating their support/collaboration towards science by providing financial assistance to our speakers of noble research findings, hospitality and other necessary management for the scientific gathering.

Level of Sponsorship	Platinum \$ 7000	Gold \$ 6000	Silver \$ 5000	Bronze \$ 3500	Supporting \$ 2000
