6-7 December 2014, Beijing, China

International Symposium on New Tools in Chemical Biology

The National Natural Science Foundation of China (NSFC), the Royal Society of Chemistry (RSC), the College of Chemistry and Molecular Engineering at Peking University

Students and early career researchers attending the symposium are encouraged to present a poster and the best poster submissions will be selected to give 5 minute flash talks. Prizes will be awarded for the best talks and posters. Please use the registration link below to register and to submit your poster abstract.
