

The registration is open

Welcome to the
10th Joint Meeting on Medicinal Chemistry
Dubrovnik (Srebreno), Croatia, June 25–28, 2017

Organized by the Medicinal Chemistry Section of the Croatian Chemical Society and sponsored by the European Federation for Medicinal Chemistry.

The 10th JMMC will continue the tradition established by former biennial meetings and will cover advances in drug discovery approaches and the major therapeutic areas, including anti-infectives, cardiovascular diseases, neurodegenerative diseases and oncology.

Conference Venue

Sheraton Dubrovnik Riviera Hotel, Srebreno at the Dubrovnik Riviera.

(www.sheratondubrovnikriviera.com)

Accommodation

Hotels of various categories are offered on the website.

Important dates

Submission of abstracts: until January 27, 2017.

(abstracts@jmhc2017.hr)

Acceptance of abstracts: within one month of submission.

The registration is open!

Early registration: until January 27, 2017.

Registration fee for participants includes:

Participation in all scientific sessions, entrance to the exhibition area, congress bag with congress material, coffee breaks, lunches, participation in the Opening Ceremony and Welcome Reception, guided tour of Dubrovnik.

Scientific Program

Invited plenary (40 min), keynote lectures (30 min), oral presentations (20 min) and poster sessions are planned.

The 10th JMHC will cover advances in drug discovery approaches and the major therapeutic areas:

- **Meeting Unmet Medical Needs**
 - Anti-infectives
 - Anticancer therapeutics
 - Neuroactive drugs
- **Advancing strategies in drug discovery and development**
 - Computational medicinal chemistry
 - Discovery of small molecule probes
 - Epigenetics
 - New chemical entities from nature
 - Redox active targets and compounds

CONFIRMED PLENARY LECTURES:

- **Nenad Ban** (ETH, Switzerland)
- **Paul Brennan** (University of Oxford, UK)
- **Margot Ernst** (Medical University Vienna, Austria)
- **Ivo Piantanida** (Ruđer Bošković Institute, Croatia)
- **Martin Krátký** (Charles University, The Czech Republic)
- **János Wölfling** (University of Szeged, Hungary)
- **Girolamo Cirrincione** (University of Palermo, Italy)
- **Jadwiga Turlo** (Medical University of Warsaw, Poland)
- **Andrej Boháč** (Comenius University in Bratislava, Slovakia)
- **Stanislav Gobec** (University of Ljubljana, Slovenia)
- **Grigoris Zoidis** (National and Kapodistrian University of Athens, Greece)

Language

The language of the Meeting will be English.
