## Royal Society of Chemistry Summer Party 2023

---

***IMPORTANT NOTICE: A strike has been announced on national rail services on 20th July, so if you were planning to take a train into London, we request that you check your travel arrangements in advance.***

We look forward to welcoming you to the Royal Society of Chemistry Summer Party 2023. Please see below for information about the evening.

### **Summer Party venue**

Royal Academy of Arts  
Burlington House, Piccadilly  
London W1J 0BA

### **Dates and timings**

#### **Thursday 20th July 2023**

Please arrive at the Royal Academy of Arts for 7.30pm. The evening includes food, music and a private viewing of the Royal Academy Summer Exhibition and ends at 10pm. Food and drinks will be served until 9:30pm.

### **Tickets and cloakroom**

Please note the following additional security arrangements:

- Please bring your emailed ticket with you, preferably on your phone to avoid unnecessary printing.
- If you have any difficulty displaying your ticket on your phone, don't worry - just speak to a member of staff at the entrance who will have a list of all guests attending.
- Tickets are non-transferable and will be checked at the door.
- One ticket will be issued per group, showing the name of the main invitee along with the number of guests joining them on the evening.
- Cloakroom facilities will be available until 10.15pm at the Royal Academy of Arts.

### **Dress code**

Please note that the dress code is 'black tie optional'. The avoidance of doubt, we expect most guests to be wearing black tie, suits, long dresses, or cocktail dresses.

### **Special requirements**

If you have not yet advised us of any dietary or other requirements, please email [events@rsc.org](mailto:events@rsc.org)

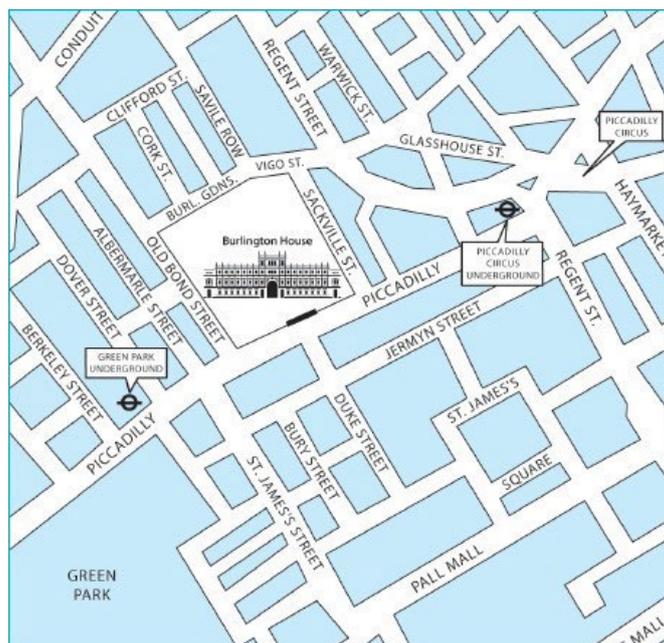

### Photography disclaimer

Please be aware that photography will be taking place during the event. All photographs will be stored and used by the Royal Society of Chemistry for the purpose of promoting its charitable activities. The Royal Society of Chemistry and its affiliated companies retain the ownership/copyright of all photographs and will not disclose content to any other third parties. Please let us know if you do not want to be photographed during the event.

### How to find us

The Royal Academy of Arts and Royal Society of Chemistry are located in Burlington House on Piccadilly, London. The nearest underground stations are Piccadilly Circus and Green Park.

Burlington House is on the north side of Piccadilly midway between Piccadilly Circus and Green Park underground stations, opposite the Fortnum and Mason department store. Entrance to the Royal Academy of Arts and the Royal Society of Chemistry is via the courtyard.

### By train:

A train strike has been announced on national rails services for Thursday 20<sup>th</sup> July, so if you were planning on travelling into London by train, we request that you check your travel arrangements in advance.

Transport for London (TFL) are not currently affected and so underground trains and buses in London should still be running, though there might be some disruption to overground trains in London.

[National Rail's website](#) hosts the latest information on train companies affect by industrial action.

It is easy to get to Burlington House via London Underground. You can take either the Piccadilly or Victoria line to Green Park or Piccadilly tube stations; both are a five-minute walk to the venue. If you use Green Park please leave via Piccadilly Northside and look for the Royal Academy entrance, turn left out of the station, you will see the red flags of Burlington House ahead of you.

**By coach:**

National Express operates a comprehensive coach service to most parts of the country from Victoria Coach Station, 164 Buckingham Palace Road, SW1W 9TP.

**By car:**

Please note that there is no parking at Burlington House – we recommend using public transport to get to the venue.

**We look forward to welcoming you to London, but should you have any queries in the meantime please do not hesitate to contact the Events Team at [events@rsc.org](mailto:events@rsc.org)**
