

RSC Bioorganic Group Postgraduate Research Symposium

Friday 15th April 2011
Burlington House, Piccadilly, London

RSC Advancing the Chemical Sciences

| | |
|-------------|--|
| 10h15 | Registration, Coffee, put up posters |
| 10h55 | Welcome |
| 11h00-12h30 | <p>Talk 1: <i>Directed evolution of an N-acetyl amino acid racemase</i>, Scott Baxter, University of Edinburgh</p> <p>Talk 2: <i>Synthetic Disintegrins as mediators of cell-matrix interactions: implication for cancer and regenerative medicine</i>, Angelo Bella, University of Leicester</p> <p>Talk 3: <i>New Structural Templates for Kinase Inhibition</i>, Darren Fearon, ICR</p> <p>Talk 4: <i>Functionalisation of Disulfide Bonds with Maleimides</i>, Felix Schumacher, UCL</p> |
| 12h30-13h40 | Poster viewing , Lunch, RSC Bioorganic Group AGM |
| 13h40-15h10 | <p>Talk 5: <i>Novel Antibiotics from DNA Adenine Methyltransferase Inhibitors</i>, Jennifer C. McKelvie, University of Southampton</p> <p>Talk 6: <i>Structure-activity Relationship of Signalling Molecules controlling Methylenomycin Antibiotic Production in Streptomyces coelicolor</i>, Nicolas Malet, University of Warwick</p> <p>Talk 7: <i>Chemical tools for probing protein N-myristoylation</i>, Megan Wright, ICL</p> <p>Talk 8: <i>Photo-control of Protein-Protein Interactions during Apoptosis</i>, Piotr Wysoczanski, University of Cardiff</p> |
| 15h10-15h45 | Poster viewing , Coffee |
| 15h45-16h30 | Keynote lecture: <i>'Synthesis directed at the disruption of protein-protein interactions implicated in asthma and cancer'</i> , Prof Alan Spivey, Imperial College London. |
| 16h30-17h15 | Prize giving and refreshments |
| 17h30 | Close |

We are grateful to the following organisations for sponsoring this event:
