International Online Medical Conference
IOMC 2008

May 10-11, 2008

About:

IOMC 2008 is the first online conference on Medicine taking place in 2008. It aims to provide a forum for discussing and presenting research findings, studies, and experiences in the field of medicine.

An International Advisory Committee (IAC), comprising international experts and Medical Professors guide the development of the conference program and agenda. A Program Scientific Committee (PSC) supplements the activities of IAC, and decides on identification of moderators and speakers, evaluates conference papers, and finalizes the agenda for the conference.

Call for Papers:

Authors are invited to submit original and unpublished papers related to one of the conference themes. Accepted papers will appear in the conference proceedings provided that all authors register for the conference.

High quality papers will be nominated for the Best Paper award.

The conference welcomes papers in the field of medicine. Themes may include (but not limited to):

- Allergology
- Anaesthesia
- Anatomy
- Cancer
- Cardiac Surgery
