

PROGRAMME

RSC ORGANIC DIVISION MIDLANDS REGIONAL MEETING

Friday 5th April 2013

The Newton Building, Nottingham Trent University,
Nottingham City Centre

10.00-11.00 Welcome, refreshments and poster set up

Session 1

11.00-11.30 Dr Andrew Jamieson, University of Leicester
Design and Synthesis of Peptidomimetic HDAC Inhibitors

11.30-12.00 Dr Graham Pattison, University of Warwick
Aromatic Heterocycles as Activating Groups for Asymmetric Catalysis

12.00-12.30 Dr Russell Kitson, University of Nottingham
Flicking the Conformational Switch: 19-Substituted Benzoquinone
Ansamycins as Novel Hsp90 Inhibitors with Reduced Toxicity

12.30-14.00 Buffet lunch and Poster Viewing

Session 2

14.00-14.30 Dr L David Finger, University of Sheffield
Unpair to repair at DNA and RNA Duplex Termini

14.30-15.00 Dr Gareth Pritchard, Loughborough University
New Routes to Heterocyclic Compounds

15.00-15.30 Dr Christopher Garner, Nottingham Trent University
Studies on New Phosponium Salts.

15.30-16.00 Refreshments

Session 3

16.00-16.20 Presentations

16.20-17.20 RSC Bader Award Lecture
Professor John Murphy, University of Strathclyde,
Highly Reactive Nitrogen Heterocycles - Synthesis and Properties

17.20 Wine reception
