

# POSTGRAD SYMPOSIUM VII

Friday 13th December 2013

## Biological and Medicinal Chemistry *symposium for postgraduates*

First call for graduate students to apply to give oral presentations & posters.

The **Biological and Medicinal Chemistry Sector** (BMCS) of the RSC will be hosting its seventh postgraduate symposium for PhD and postdoctoral students working in biological or medicinal chemistry and related areas. The event will be held in the **Department of Chemistry at the University of Cambridge** on **Friday 13th December 2013**. Students working in these areas are invited to participate.

Registration will start at 9:00 am with talks beginning at 10 am. The day will consist of 11 oral presentations (8 student and 3 industrial plus a Flash Poster section). Each 20-minute student talk will be followed by 10 minutes for questions. Throughout the day there will be keynote talks from industrial chemists. A buffet lunch will be provided to accompany the poster session.

The BMCS judges will be awarding prizes to participants. There will be one prize of **£300** for the best oral presentation and a prize of **£150** for the best poster. These will be celebrated at the end of the day.

If you are interested in presenting your relevant PhD or post-doctoral work please submit a half-page abstract by **26th September 2013** along with your registration form. Those selected by the BMCS committee to give oral presentations will be notified by 15th November. Travel expenses will be reimbursed to speakers.

**This event is FREE but all attendees should register as soon as possible and no later than by Friday 6th December.**

### *Guest Speakers*

**Stuart Conway**, Oxford University  
**Ashley Jarvis**, Domainex  
**Herbie Newell**, Newcastle University
