

The North Staffordshire Local Section of the Royal Society of Chemistry

would like to invite schools to take part in the North
Staffordshire Heat of

Top of the Bench

Top of the Bench is a national competition run by the RSC for teams of 14 – 16 year olds. Each team should consist of four students: two from Y9, one from Y10 and one from Y11.

A Regional Final will be held at Keele University on the morning of Saturday 24th January 2015. This will comprise a practical chemical problem-solving team exercise and a test of chemical knowledge. There will also be chemistry demonstrations and a lunch.

The winner of the Regional Final will be invited to represent North Staffordshire at the National Final to be held on Saturday 25th April at Loughborough University
