

**University of  
Leicester**

**Centre for  
Chemical Biology**

**Half day Symposium: Thursday 6<sup>th</sup> March 2008**

**Venue:**

Henry Wellcome Building, Lancaster Rd, University of Leicester

# Nucleic acids: from nanotechnology through to structural biology

## PROGRAMME

14.00 - 14.45

**Professor Andrew Turberfield,**  
Dept of Physics, University of Oxford

*'DNA Nanotechnology:  
Structures and Machines'*

14.55 - 15.45

**Dr Jason Micklefield,** School of Chemistry,  
University of Manchester

*'Nucleic Acid Redesign and Recognition'*

COFFEE 15.45 - 16.15

16.15 - 17.15

**Professor David Lilley,**  
Cancer Research UK Nucleic Acid Structure  
Group, University of Dundee

*'How RNA Can Act as an Enzyme'*

17.15 Reception
