Please bring this ***Joining Instruction*** with you as it will serve as your Entry Permit to enter the **Fuxuan Hotel, Fudan University** for the first time before you register onsite.

Venue (Lecture Theatre)

Lecture Hall, 4th Floor, Fudan Fuxuan Hotel

No. 400 Guoding Road, Yangpu District, Shanghai

复旦大学复宣酒店 4 楼报告厅

上海杨浦区国定路 400 号

Onsite Check-in (Registration)

Date/Time: 08:00 – 08:50 A.M., 24 September, 2016

Place: 4th Floor, Fudan Fuxuan Hotel

The registration desk will close at 08:50 A.M., please arrange your time so you don't miss the start.
A full programme with specific timings will be provided upon onsite registration.

The symposium officially starts with the welcome and introductions at 09:00 A.M. on Saturday 24 September at Fuxuan Hotel and is scheduled to end at 12:00 P.M. on Sunday 25 September.

Please pick up your name badge, catering vouchers, event program and etc.

Delegate Badges

Badges will be issued to all delegates. Participants are kindly requested to wear their badges throughout the conference for security and catering purposes.

Anyone without a badge will be turned away from catering stations.

Event Program and Abstracts Book

Event Program and E-Abstracts Book are available on the website with PDF copy to download. They are password protected and accessible using the password: **PCUCIFN**.

There will be printed one-page program available at the registration desk. Hard copy abstract books will not be provided on site. Please print in advance and bring them with you if needed.

Poster Session

Date/Time: 13:30 – 14:30 A.M., 24 September, 2016

Place: Lecture Hall, 4th Floor, Fudan Fuxuan Hotel

For poster authors

Please **print your poster by yourself** and bring it to site with you.

Upon registration, poster presenters should check with RSC staff for details of which board to hang their poster on.

Poster Size

Width 90cm * Height 120cm

Poster Number	Please find your poster number in the abstract book and locate the corresponding poster board and mount your poster accordingly
Set-up time	After registration or first coffee break before poster session
Take-down Time	After Event finishes

Please **stand by your poster** during coffee breaks and poster sessions and communicate with the judges and delegates.

A **Poster Prize** is available for the best poster based on:

- The quality and novelty of the research presented
- Design and layout of the poster
- Interaction with the poster judges

The Poster Prize Presentation will take place during the closing remarks.

Accommodation & Transportation

We suggest that delegates should aim to arrive in Shanghai on Friday 23 September, 2016.

Upon arrival in Shanghai, please arrange your own accommodation and transportation.

You should also make your own way to /from Fudan Fuxuan Hotel on 24 and 25 September.

Direction for Taxi Driver to event venue

Please take me to Fudan Fuxuan Hotel, thank you!

Address: No. 400 Guoding Road, Yangpu District, Shanghai

请送我到复旦大学复宣酒店，谢谢！

Programme

Saturday 24 September 2016

Time	Event	Session Chair
9.00	Opening	
9.20	Catalytic stibine dehydrocoupling versus antimony-ligated dysprosium single-molecule magnets Richard A. Layfield, <i>University of Manchester, UK</i>	Simon Aldridge <i>University of Oxford, UK</i>
10.00	Imido and phosphinidene complexes of rare-earth metal: Synthesis, structure and reactivity Yaofeng Chen, <i>Shanghai Institute of Organic Chemistry, Chinese Academy of Sciences, China</i>	
10.40	Break	
11.00	Exploring catalysis with iron(II) β -diketiminate complexes: From dehydrocoupling to hydrofunctionalization Ruth L. Webster, <i>University of Bath, UK</i>	Jian-Ping Lang <i>Soochow University, China</i>
11.40	Low-coordinate iron and cobalt complexes with NHC ligation: Synthesis, structure, and reactivity Liang Deng, <i>Shanghai Institute of Organic Chemistry, China</i>	
12.20	Lunch & Posters	
14.30	Molecular organisation: Working with molecules on the nanoscale Neil R. Champness, <i>University of Nottingham, UK</i>	Paul Walton <i>University of York, UK</i>
15.10	Controllable SCSC photocycloaddition within metal-organic frameworks Jian-Ping Lang, <i>Soochow University, China</i>	
15.50	Close of Day One	

Programme

Sunday 25 September 2016

Time	Event	Session Chair
9.00	Designing main group systems for small molecule activation and functionalization <i>Simon Aldridge, University of Oxford, UK</i>	Richard A. Layfield <i>University of Manchester, UK</i>
9.40	Application of bulky organoboranes in frustrated lewis pair chemistry <i>Huadong Wang, Fudan University, China</i>	
10.20	Break	
10.40	Structure, function and spectroscopy of lytic polysaccharide monooxygenases <i>Paul Walton, University of York, UK</i>	Huadong Wang <i>Fudan University, China</i>
11.20	Functionalization of Pt(II) anticancer complexes <i>Zijian Guo, Nanjing University, China</i>	
12.00	Closing
