

3rd Cambridge CNT Symposium 2009

CambridgeCNT SYMPOSIUM 09

International Forum on Carbon Nanoscience

November 13th 2009

St John's College
University of Cambridge

FIRST ANNOUNCEMENT

Organizing Committee

Tobias Wirth (Chair), YanYan (Shery) Huang (Co-Chair)
Rose Spear, Krzysztof Koziol, James McGregor, Juan Vilatela, Yan Zhang,
Bernhard Bayer, Santiago Esconjauregui, Sai Giridhar

Scope

The forum will provide a platform for reviewing and discussing novel developments in the field of carbon nanostructures and related materials as well as their applications.

Subjects included are:

- Nanotube synthesis and purification, large-scale production, quality-control
- Graphene and nanoribbons synthesis
- Mechanical properties, composite and hybrid materials
- Electronic and optical properties
- Functionalisation and modification, tailoring of properties
- Devices for electronic, photonic, energy, and sensor applications
- Biomedical impact and applications
- Theory and modelling

List of Invited Speakers

Prof. Manish Chhowalla (*Department of Materials Science and Engineering, Rutgers University*)

Dr. Andrea Ferrari (*Engineering Department, University of Cambridge*)

Dr. Stephan Hofmann (*Engineering Department, University of Cambridge*)

Dr. Ian Kinloch (*School of Materials, University of Manchester*)

Prof. Zhongfan Liu (*College of Chemistry and Molecular Engineering, Peking University*)

Dr. Kostya Novoselov (*School of Physics and Astronomy, University of Manchester*)

Dr. Milo Shaffer (*Chemistry Department, Imperial College London*)

Prof. Alan Windle (*Department of Materials Science and Metallurgy, University of Cambridge*)

Prof. Boris Yakobson (*Department of Mechanical Engineering & Materials Science, Rice University*)

Invited lectures will be scheduled in three sessions from 10am until 5:30pm with coffee/tea, lunch break and poster presentation in between. Participants are invited to submit an abstract for a poster presentation.

Registration & Abstract Submission

Participants must download the registration form

<http://access.cambridgecnt.org/register.html>

and send it by email to registration@cambridgecnt.org no later than

September 30th 2009

Registration Fees:

Full delegate rate: 60 GBP

Student rate: 20 GBP

Industrial visitor rate: 150 GBP

Lunch, tea/coffee is included.

Payment can be made online or via bank transfer.

Abstracts for **poster presentations** can be submitted together with the registration form.

Further Information

A second announcement will be distributed amongst interested colleagues.

Requests and further information should be sent to:
