

How to apply for Student Membership

This guide aims to give you advice on how to apply for Student Membership (Affiliate Undergraduate).

You are eligible to apply for student membership if you are currently studying an undergraduate degree in the chemical sciences.

What's more, if you are studying your UG degree at an accredited institution, you are eligible for free student membership.

Applying online

To apply for student membership online, visit our [website](#) and click the 'Membership' tab. Then select 'Categories' followed by 'Student Member'. Then select 'Apply now' and 'Apply for Membership' on the following page. Once you enter your email, you will be taken to an online registration form.

1. Enter your personal information.
2. Enter your study information.
3. If you are eligible for free student membership, make sure to select the 1 Year option when presented with discount options. This will allow you to use the promotional code, CATALYST100, on the fees page to register for free membership.

Student membership discount options

Apply for longer and get a discount. If you have a promotional code, please select 1 year and submit your code on the Fees page. *

- ☒ 1 year at £20.00
- ☐ 2 years at £36.00 (10 % discount)
- ☐ 3 years at £51.00 (15 % discount)
- ☐ 4 years at £68.00 (20 % discount)

4. Read and agree to the terms and conditions within the declaration section.
5. If you are eligible, enter the promotional code, CATALYST100, to receive free student membership and press 'apply code'. This will register you for student membership. If you are fee paying, please enter your card details.
6. Once you are successfully admitted as a Student member you should receive a welcome email. Please email membership@rsc.org if you are unsure of the application status.

Title	Membership period beginning	Membership period ending	Balance
Annual Subscription - Affiliate Undergraduate	01/01/2023	31/12/2023	£20.00
