

**RSC Biotechnology Group
Conferences, Workshops and Courses, 2016 - 2018**

2016

- 19 April **Chemical & Biological Therapeutic Approaches to Neurological Disorders III**
Royal Society of Chemistry, London
- 11 - 13 July **Bioactive Natural Products: Translating Promise into Practice**
St Catherine's College, Oxford

2017

- 11 Sep **Chemistry, Stem Cells and Regenerative Medicine,**
Royal Society of Chemistry, London
- 19 Dec **Biotransformations: From Science to Industrial Application**
Royal Society of Chemistry, London

2018

- 10 Dec **Biotherapeutic Approaches to Neurological Disorders IV**
Royal Society of Chemistry, London
- 17 Dec **Chemical Tools and Challenges in Systems Biology III**
Royal Society of Chemistry, London

Workshops and Courses (* with BioUpdate)

- 2016** 24 - 25 Mar ***Introduction to Glycotechnology**, University of Nottingham
- 2017** 24 - 25 Mar ***Introduction to Glycotechnology**, University of Nottingham
- 2018** 28 Mar ***Introduction to Glycotechnology**, University of Nottingham
