Name of nominee	
Job title	
Organisation	
Country	
Website or link to researcher profile	
Year of PhD	
PhD supervisor	
Gender	

## Biography

200 words maximum	
-------------------	--

### Research interests

Please select the category(ies) that best describes the candidate's subject area and provide a short description.

- Biophysical chemistry
- Condensed phase theory
- Dynamics
- Electrochemistry
- Energy storage/ conversion
- Kinetics, spectroscopy
- Materials and macromolecules
- Nanoscience/ nanotechnology
- Statistical mechanics and thermodynamics
- Surfaces, interfaces and catalysis
- Theoretical studies and methods

100 words maximum

### Recent conference attendance

Please list recent  
conference attendance
