

# PCCP

Physical Chemistry Chemical Physics

Name	
Job title	
Organisation	
Country	
Webpage	
Year of PhD	
PhD supervisor	
Gender	

## Biography

## Research interests

*Please select the category(ies) that best describes the candidate's subject area and provide a short description.*

- Biophysical chemistry
- Condensed phase theory
- Dynamics
- Electrochemistry
- Energy storage/ conversion
- Kinetics, spectroscopy
- Materials and macromolecules
- Nanoscience/ nanotechnology
- Statistical mechanics and thermodynamics
- Surfaces, interfaces and catalysis
- Theoretical studies and methods

**Recent conference attendance**

--

***PCCP* publications**

--

**Selected publications**
