Inclusion and Diversity Fund

1. Before you start

This is the application form for the Royal Society of Chemistry Inclusion and Diversity Fund (ID Fund).

If you have any questions about completing the form please get in touch with us at diversity@rsc.org.

Eligibility and scope
Before completing your application we recommend you read the information on the ID Fund webpage, particularly the sections on Eligibility, Assessment Criteria and Restrictions on Funding.

Please note that grant applications should be no more than £5,000.

The ID Fund is intended for projects that directly investigate or address inclusion and diversity issues in the chemical sciences.

Applications focused solely on outreach will not be considered and should be directed to our Outreach Fund where eligible. Applications focused solely on chemistry research will not be considered and should be directed to our various research grants where eligible.

Submitting an application
A preview of the form is available as a PDF file on the ID Fund webpage to help you prepare your answers, but applications must be submitted through this online SmartSurvey form. Please email diversity@rsc.org if this SmartSurvey form poses any accessibility issues.

You can save a partially completed application form and return to it later. Please ensure you have answered all questions before submitting your application. Once you have submitted your application you will not have any further opportunities to amend it.

Please note that application and funding decision deadlines are detailed on the ID Fund webpage.
2. Applicant Information

Please note that you must respond to all questions on this page before submitting your application.

This application form will allow you to freely move between most questions and pages without enforcing responses, but please ensure you complete all answers on this page before submitting your final application. Applications with missing information will not be considered.

1. Your contact details

Please provide your contact details as the main applicant.

The main applicant is the person who will be responsible for receiving any grant money awarded and signing the grant agreement. If the project is selected for funding, their name will be listed as the project’s contact on the ID Fund webpage. They will also be responsible for informing us of any changes to the project, and sending us the final report upon project completion.

Refer to our privacy statement for information on how the RSC uses your details.

Please check that the information below is correct before proceeding.

* Title: 

* First Name: 

* Last Name: 

* Email: 

* Position: 

* Affiliation: 

* Country of residence: 

2. Are you a member of the RSC?

☐ Yes

☐ No

RSC Membership Number (if known): 

3. **Co-applicant contact details**

If you wish, you can provide contact details for a co-applicant.

It is your responsibility as the main applicant to ensure your co-applicant is aware and consents to their contact details being provided to us.

- **Title:**
- **First Name:**
- **Last Name:**
- **Email:**
- **Position:**
- **Affiliation:**
- **Country of residence:**
- **RSC Membership Number (if known/applicable):**

4. **Your experience**

As the main applicant, please tell us briefly about your background and any relevant experience that you have in developing and delivering projects focusing on inclusion and diversity in the chemical sciences. If you are applying on behalf of an organisation, please describe your role within it.

*(max 250 words)*

5. **Are you applying as an individual, or on behalf of an organisation?**
As an individual

☐ As an organisation (please specify):

About the applying organisation

If you are applying on behalf of an organisation, please tell us more about the organisation, including any relevant information about the organisation’s experience in developing and delivering inclusion and diversity projects in the chemical sciences.

(max 150 words)

6. Are any Royal Society of Chemistry Member Networks (e.g. local sections, interest groups, divisions) involved with your project?

☐ Yes

☐ No

If yes, please specify which RSC Member Network(s) is/are involved and describe the involvement (e.g. co-organisers, partners, sponsors).

(max 150 words)

7. Partners and collaborators

Please provide us with further information about any partners and/or collaborators (individuals and/or organisations) involved in the support and delivery of the project. For international projects, we highly encourage you to connect with your national chemical sciences society.

(max 250 words)
8. Have you or your organisation previously applied to the Inclusion and Diversity Fund or other RSC grants for projects focusing on inclusion and diversity?
   ☐ Yes
   ☐ No

9. Previous application(s)

If you selected 'Yes' in the previous question, please provide us with further details of your previous application(s).

3. Project Information

Please note that you must respond to all questions on this page before submitting your application.

This application form will allow you to freely move between most questions and pages without enforcing responses, but please ensure you complete all answers on this page before submitting your final application. Applications with missing information will not be considered.

10. Project title

11. Project summary

Please provide a summary your project. (max 35 words)

If selected for funding, this summary will be used as a basis to share the success of your application on the ID Fund webpage.

12. Project Dates

Please provide your project's intended start and completion dates.

If your application is successful, these dates will determine the funding grant period and you must contact us if there are changes.

Start Date DD/MM/YYYY
Completion Date

13. Project Location

For projects that are virtual and/or without geographic restrictions on the intended audience, please select ‘Multiple countries’.

[Drop-down menu]

If you selected 'Multiple countries', please indicate which countries.
14. Project description

Please provide a clear and concise description of your planned project.

This should include:

- overall aims and expected outcomes
- a brief description of what you are planning to do
- timeframes and key dates
- where your project will take place
- who will be delivering the project

The panel will use the information provided in this section to determine whether the project meets the objectives and criteria of the Inclusion and Diversity Fund, and will take into consideration how your project:

- is centred on increasing diversity and inclusion in the chemical sciences community
- is relevant to the RSC inclusion and diversity strategy
- has a clearly defined target audience and is relevant to this audience
- has a clearly defined and novel intended impact
- is deliverable
- includes clear evaluation plans

(max 750 words)

15. Does your project build upon a previous activity?

This may or may not have been funded by the Royal Society of Chemistry and may or may not have been delivered by you or your organisation.

[ ] Yes
[ ] No
If yes, please provide a brief description of the previous activity and evaluation of its success. You may provide an evaluation report separately on the ‘Supplementary Information’ page if you wish.

(max 150 words)

16. Which type(s) of activity is/are involved in the project?

Please indicate the type(s) of activity that most accurately describes the format of your project. If applicable, you may select multiple answers.

- Event(s) (includes lectures and lecture series, panel discussions, networking events, workshops, etc)
- Conference/symposium
- Research project
- Training
- Establishment of a programme (includes setting up networks, mentoring schemes, etc)
- Exhibition
- Other (please specify):

17. Which area(s) of diversity does your project focus on?

Please indicate the area(s) of diversity that your project focuses on. If applicable, you may select multiple answers.

- Age
- Disability (including mental health and neurodiversity)
- Gender equality
- LGBT+ identity
- Pregnancy & maternity, paternity, parental leave
- Race and ethnicity
- Religion or belief (including absence of belief)
- Socioeconomic status
- Other (please specify):
4. Project Finances

Please note that you must respond to all questions on this page before submitting your application.

This application form will allow you to freely move between most questions and pages without enforcing responses, but please ensure you complete all answers on this page before submitting your final application. Applications with missing information will not be considered.

18. What is the total cost of your project?

This should be provided in GBP (£).

19. How much are you applying for from the Inclusion and Diversity Fund?

Please provide in GBP (£). The maximum funding available is £5,000.

20. Please provide a full breakdown of project costs

Please provide the full costs of the project in the table below, including those covered by other sources. The total costs funded by the Inclusion and Diversity Fund grant should equal the amount that you have requested in the previous question.

Note that employment and volunteer regulations dictate that this funding cannot be used towards monetary or other benefits to compensate for volunteers' time.

Note that, if your project is selected for funding, you must request approval for changes to the allocation of costs. Any restrictions on funding will still apply.

The list below details the types of costs that might be included in each category.

- **Event fees** – includes fees for attendance at events and for stalls/stands. This cannot include administration costs or salary costs of organisers.
- **Venue/platform fees** – includes fees to hire an event venue, acquire a licence for software or digital platform, etc.
- **Equipment hire/purchase** – this cannot include the cost of hardware, apparatus or equipment, unless it is shown to be integral to the project, will be used beyond the project lifetime and does not make up the majority of the project costs.
- **Consumables** – includes materials and disposable items.
- **Marketing** – includes costs for printed and online advertising.
- **Consultancy** – costs for consultancy will only be covered where the applicant is explicit about the need for a consultant or specialist to be involved in the project, and can
demonstrate how the project will benefit from the specific expertise or skillset provided. These costs must be justified in the comment box below the table. Employment and volunteer regulations dictate that the ID Fund cannot be used towards monetary or other benefits to compensate for volunteers’ time.

- **Subsistence** – includes food and refreshments for volunteers and those involved in the project.
- **Travel expenses** – includes travel costs for volunteers and those involved in delivering the project.
- **Accommodation** – includes accommodation costs for volunteers and those involved in delivering the project.
- **Other costs** – any other costs associated that cannot be captured in other categories.

Please ensure that you check our website for a list of items that will not be funded by the Inclusion and Diversity Fund.
