		Physcion	0.011	0.010	0.012 \pm 0.001	104.7 \pm 7.5	7.2

R9: The proof of editing and polishing for language by CrossEdit.

CrossEdit.Com

CERTIFICATE OF ENGLISH EDITING

To whom it may concern:

This memo is to certify that the paper titled Novel Multiple-Solvent Simultaneous Microextraction for Flavonoid and Anthraquinone Pre-concentration in Traditional Chinese Medicine has been edited for language by CrossEdit, a company dedicated to helping international researchers publish their findings in the best English language journals possible.

Our International paper editing service is performed by a subject expert editor and approved by a senior editor. All our editors are native English speakers.

The certificate is being issued upon the request of the client. If you have any questions, please contact service@crossedit.com

Signature of the editor representative:

Martin J. Booth
