

Electronic Supplementary Information

A foolproof method for phase transfer of metal nanoparticles via centrifugation

Jin Ock Park^{a, b}, So-Hye Cho^{b, c}, Jae Seung Lee^a, Wonjoo. Lee^{d*}, Seung Yong Lee^{b, c*}

Contents

1. TEM images of all the particles before/after phase transfer
2. UV-vis spectra of all the particles before/after phase transfer

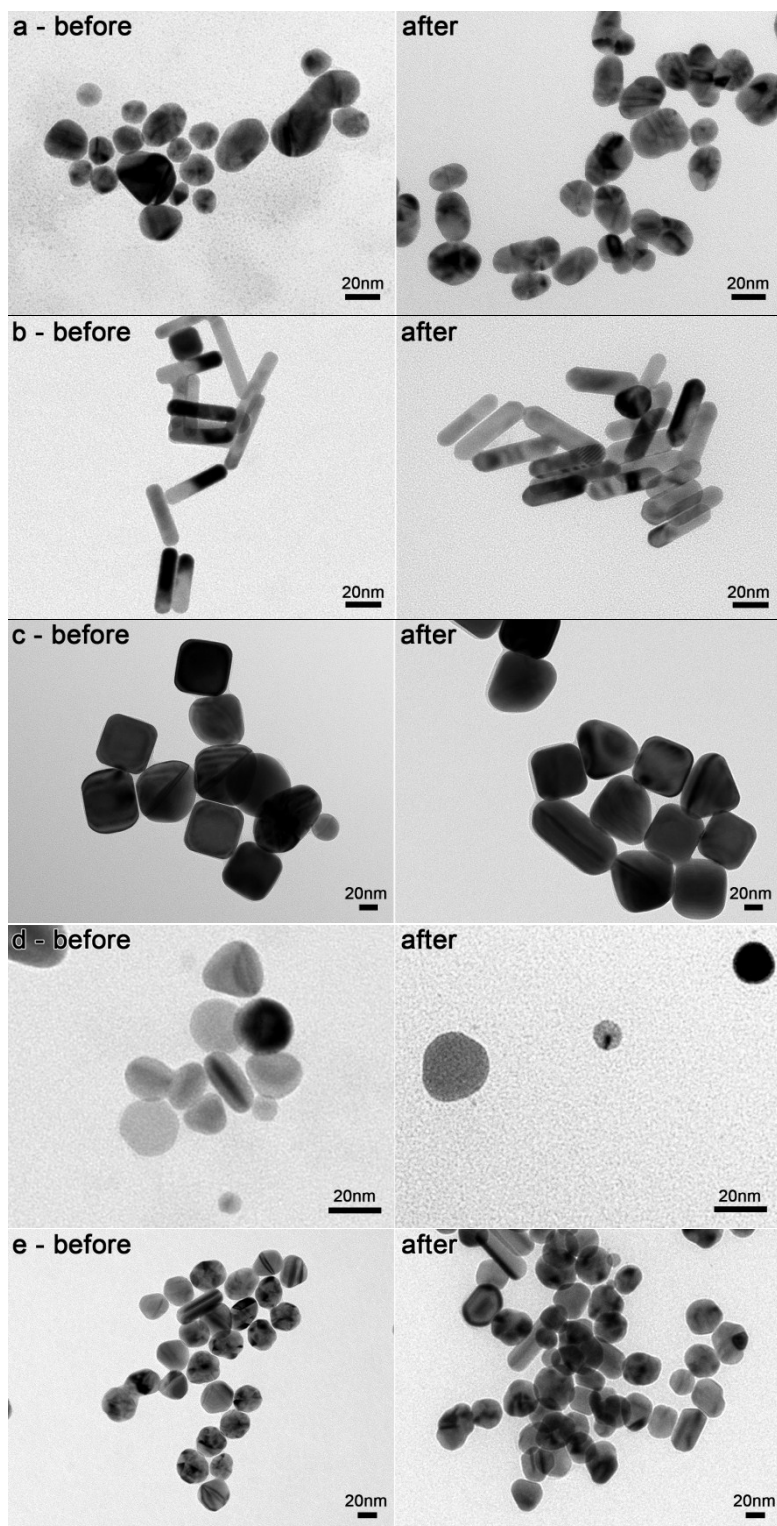

Figure S1. TEM images of a) AuNSs, b) AuNRs, c) AuNCs, d) small and e) large AgNSs,
