

## **Supplementary Figure Legends**

### **Supplementary Fig. 1. Identification of SRR.**

A: MALDI-TOF-MS map of SRR; B: the amino acid sequences of SRR in which the matched peptide sequence is marked red; C: the protein score.

### **Supplementary Fig. 2. Identification of GFAP.**

A: MALDI-TOF-MS map of GFAP; B: the amino acid sequences of GFAP in which the matched peptide sequence is marked red; C: the protein score.
