Electronic Supplementary Information

Figures S1-S5: Phenyl embraces.

Figure S1: Phenyl embraces in $\text{PPh}_3\text{MeI}_3 \cdot (\text{TIE})$.

Figure S2: Phenyl embraces in $\text{PPh}_3\text{MeI}_3 \cdot (\text{p-F}_4\text{DIB})$.

Figure S3: Phenyl embraces in 2(PPh₃MeI₃)·(p-F₄DIB).

Figure S4: Phenyl embraces in $\text{PPh}_3\text{MeI}_3 \cdot (\text{o-F}_4\text{DIB})$.

Figure S5: Phenyl embraces in $\text{PPh}_3\text{MeI}_3 \cdot 2(\text{o-F}_4\text{DIB})$.
