

Mid-project Survey - DR

Start of Block: Introductory information

Q1.1 Dear Stanford Beach Project Volunteer, We are so grateful to you for helping make this project possible! Now that we are about halfway through our sampling process, we would like to ask you for feedback to learn what is going well, what has been difficult, and how we can make this project more successful. Completing this survey should take about 10 minutes. Please consider this a crucial element of your participation in this project. Thank you very much for your cooperation!
