

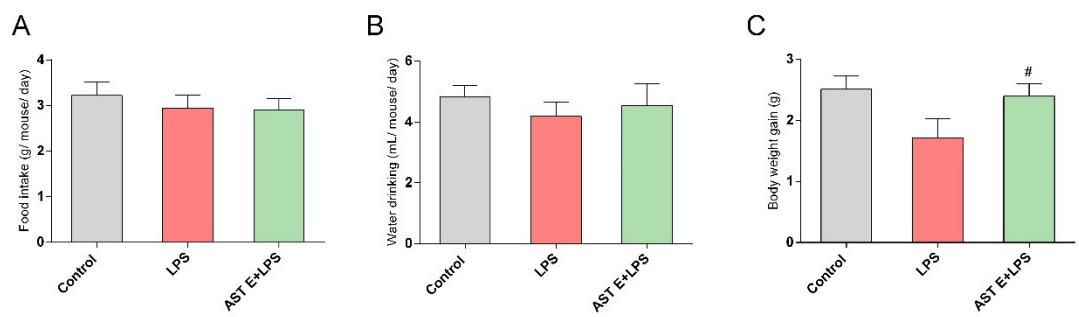

**Figure S1.** The schematic diagram of the formation process of astaxanthin-loaded layer-by-layer emulsions.

**Figure. S2** Effect of astaxanthin emulsion on body weight and dietary water intake of LPS-induced mice. (A): food intake; (B): water intake; (C): body weight gain. Data presented as mean  $\pm$  SEM, n=10. #p < 0.05, *versus* LPS mice group.
