

Full linear correlation analysis of USLP uptake in glioblastoma U87 spheroids.

(A) Video time-course of single z-stack of USLP-NH<sub>2</sub>-CY5 uptake in glioblastoma spheroids, relative to linear correlation (yellow line).

(B) Video time-course of single z-stack of USLP-NH<sub>2</sub>-CY5-Lf uptake in glioblastoma spheroids, relative to linear correlation (yellow line).
