

Supplementary material to **Table 2**.

NO.	Preparation name	Composition	Traditional and clinical uses
1	Danle Capsules	Porcine bile acid, <i>Citri Reticulatae P ericarpium</i> , <i>Crataegi Fructus</i> , <i>Curcuma Radix</i> , <i>Glechomae Herba</i>	Used for abdominal pain and gallbladder distension caused by liver stagnation and qi stagnation. Chronic cholecystitis, cholelithiasis to see the above symptoms.
2	Huoluo Tincture	<i>Aconiti Radix</i> , <i>Stephaniae Tetrandrae Radix</i> , <i>Kaempferiae Rhizoma</i> , <i>Glechomae Herba</i> , <i>Corydalis Rhizoma</i> , <i>Zingiberis Rhizoma</i> , Camphor, l-Menthol, Methyl salicylate, <i>Borneolum Syntheticum</i> , <i>Capsici Fructus</i> , <i>Bufois Venenum</i> , Benzoic acid	Comfort the sinews, dispel the cold, promote blood circulation and relieve pain. For pain of muscle and bones, acute sprain, muscle pain and rheumatism, pain of liver area.
3	Ginqian dantong oral liquid	<i>Glechomae Herba</i> , <i>Lysimachiae Herba</i> , <i>Artemisiae Scopariae Herba</i> , <i>Polygoni Cuspidati Rhizoma Et Radix</i> , <i>Taraxaci Herba</i> , <i>Radix Bupleuri</i> , <i>Cyperi Rhizoma</i> , <i>Cassiae Semen</i> , <i>Radix Salviae</i> , <i>Mume Fructus</i>	Qingli damp heat, dredge the liver and gallbladder, pain row stone. For cholelithiasis damp-heat stasis in shaoyang bile - bladder pain. Pain in the right flank, fixed, or secondary colic, on the back of the shoulder, constipation, yellow urine, even the body is yellow fever, dark red tongue, thick greasy or yellow greasy, pulse string slip or string tight.
4	Niaogan ning Granule	<i>Lygodiumjaponicum</i> , <i>Glechomae Herba</i> , <i>Pteridis Multifidae Herba</i> , <i>Humulus Scandens (Lour.) Merr.</i> , <i>Violsse Herba</i>	Clear heat detoxify, drench diuresis. Used for the treatment of dampness-heat syndrome of bladder: frequency of urination, urgency of urination, painful urethra acerbity, yellowish urine color, excessive wet urination, etc. Acute, chronic urinary tract infection seen above symptoms.
5	Lithoex pulsium paste	<i>Glechomae Herba</i> , <i>Lonice Raejaponicae Caulis</i> , <i>Caulis Akebiae</i> , <i>Pyrrosiae Folium</i> , <i>Dianthi Herba</i> , <i>Radix Cynanchi Paniculati</i> , Talcum, <i>Fructus Malvae Verticillatae</i> , <i>Plantaginis Semen</i> , licorice	Li shui, tong drench, row stone. For kidney stones, ureteral stones, bladder stones and other urinary calculi.
6	Paishi Granules	<i>Glechomae Herba</i> , <i>Plantaginis Semen</i> , <i>Caulis Akebiae</i> , <i>Radix Cynanchi Paniculati</i> , <i>Pyrrosiae Folium</i> , <i>Lonice Raejaponicae Caulis</i> , Talcum, <i>Dianthi Herba</i> ,	Clear heat and benefit the water, dripping stone. This product is used for the stone shower caused by the heat and damp of the lower coke. Qin urinary calculi with the above syndrome.

Abutili Semen, licorice

7	Qingreli dan granule	<p><i>Glechomae Herba, Hypericum seniavinii Maxim., Pteridis Multifidae Herba, Violsse Herba Carthami Flos, Strychni Semen, Aco nitum Kusnezoffii Reichb, Aconiti Ra dix, Schizonepetae Herba, Glechoma e Herba, Saposhnikoviae Radix, A.
