Dear Qian,

Thank you for contacting ACS Publications Support.
Your permission requested is granted and there is no fee for this reuse. In your planned reuse, you must cite the ACS article as the source, add this direct link <https://pubs.acs.org/doi/10.1021/acs.analchem.0c03186>, and include a notice to readers that further permissions related to the material excerpted should be directed to the ACS.

This information has also been sent to you via email. If you have not received the email, Please check your spam folder and also make sure to white list the email address support@services.acs.org.

If you need further assistance, please let me know.

Best regards,
Keith Pearl
